NURSERYMEN'S SUPPLIES

TO BE SHIPPED FROM HUNTSVILLE, ALABAMA

PROMPT SHIPMENT

Carried in stock at Chase. Express orders are shipped next train after receipt of order. High grade goods only. We buy in quantity, take advantage of all cash discount and sell on a short margin of profit.

KNIVES

Made especially for us by a manufacturer who is "fussy" about the quality of his output. Have used and handled these knives for twenty years.

C. A. G. GRAFTER. Cocoa handle; pocket edition. 25 cts. each, \$3 per doz. postpaid; \$2.75 per doz. by freight or express.

WOSTENHOLM'S IXL IVORY TIP. The best budding knife we know of, and strong enough for an all-purpose knife. 75 cts. each, \$8.25 per doz., postpaid; \$8 per doz., by freight or express.

CHASE'S SPECIAL IVORY TIP. A mighty good budding knife; next to Wostenholm, it is the best ivory-tipped knife we can find; in appearance almost like Wostenholm, 60 cts. each; \$6.50 per dozen, postpaid; \$6.00 per dozen by freight or express.

STATIONARY BUDDER. Note shape, size and "hang" of blade, (see cut in Trade List.) Made for budding, but not as convenient for the pocket as the others. 25 cts. each; \$2.50 per dozen postpaid; \$2.25 per dozen by freight or express.

C. A. G. Pruner

C. A. G. PRUNER. Stationary handle; full length 8 inches, length of blade $3\frac{3}{4}$ inches. Handle, hardwood; blade entered deep and fastened by shrinking a ferrule, making a strong knife. 30 cts. each; \$3.20 per dozen postpaid; \$2.85 per dozen by freight or express.

Flat Handle Pruner

CHASE'S FLAT HANDLE PRUNER. The strongest pruning knife made, handle composed of two halves hardwood riveted through the blade which extends full length—see cut. Full length $7\frac{1}{4}$ inches. If you can break the handle on this knife we will replace it without cost. The metal is high-class. Price 35 cts. each; \$3.50 per dozen postpaid; \$3.20 per dozen by freight or express.

PRUNING SHEARS

WATCH SPRING, FRENCH, 8 Inch. Per pair postpaid, \$1.35; per dozen pairs, freight or express (weight per doz. pairs 7 lbs) \$14.50.

WATCH SPRING, FRENCH, 9 Inch. Per pair postpaid, \$1.70; per dozen pairs, freight or express (weight per dozen pairs 11 lbs) \$17.00.

The Watch Spring French Shears stand at the head of the list for making cuttings of all kinds. For this work the 8 inch size is just right. For cutting back seedlings to the bud or any heavy work the 9 inch is recommended.

In makings cuttings the shears used should make a quick, clean cut (which these shears do to perfection) and they should have a properly proportioned grip to enable the operator to do a full days work without cramp. We have used this make for years and find that it fills the bill better than any other we've tried. Once in a while a spring will break. We now import extra springs and can supply either size at all times

LADIES' GERMAN. 6-in. full nickle-plated. Volute spring. Not large enough for general use. High grade beautifully finished, large enough for use about rose bushes or shrubs in the garden, or for light work. Every retail salesman should learn how to prune and carry a pair of these in his pocket. 75c. per pair, postpaid; \$8 per doz. pairs, by express or frt. Weight per doz. pairs, 2¾ lbs

Watch Spring, French
8 inch

Ladies' German

English Pattern

ENGLISH PATTERN, 8 In. One of the best made shears in the market; an extra blade with each. Heavy long brass springs that will last as long as the shears. \$1.90 per pair postpaid.

AMERICAN MAKE, 9 Inch. Good cheap shears, strong, well made. Weight, 17 ounces. Volute steel spring. 65 cts. per pair, postpaid.

Steel Box Straps—One inch wide, 9 inches long, thin, soft steel, strong enough to hold the heaviest box. You can drive an ordinary nail through it without punching. About 2800 pieces in 100 pounds. Less than 50 pounds, per lb. 5c; 50 lb. boxes, per box, \$2.25; 100 lb. boxes, per box, \$4.

Alabama Mule Skin Mittens—A leather mitten with separate sheath for forefinger, the other three fingers in one sheath. Made from mule skin, nearly as durable as buck-skin, at one-fourth the cost. Single pair, by mail, 40 cts. postpaid; per dozen pairs, by freight or express, \$3.50.
